

# PENIEL WELSH CHAPEL

## 2020 Exterior Renovation Project

**Wonderful news!** Thanks to your support and prayers, the Peniel Welsh Chapel Association is moving forward with Phase 1 of our Exterior Renovation Project. Sufficient donations have been collected over the past two years to install insulation, PVC-coated seamless steel siding, and steel trim on the sanctuary (main building), as well as 10 new storm windows for the sanctuary. All work will be completed by Wrightway Home Improvement of Fond du Lac.

Phase 2 is the renovation of the kitchen/dining room in the rear and will include siding, insulation, trim, & one storm window for the stained-glass window. Additionally, 6 windows & 1 door will be replaced. The cost of Phase 2 is approximately \$27,500 and will commence when sufficient funds have been received.

Additional funds will be needed for exterior electrical work and lighting and detail trim on the front of the Chapel.

No matter how large or small, all donations are truly welcome and appreciated and are 501©(3) tax deductible. Please address your donation to:
